“Glitz, Grace, and Grooves”....”Parents, thank you for the donations that we received from your family for Dinner Auction! It really helps in our fundraising! Some of our parent volunteers have been working since fall on the dinner and auction. And many of you have already signed up to help next weekend, but there are still spots left. It really takes everyone doing their part to lighten the load of a few, so please find a spot that you can work. We look forward to making this a truly memorable night! The **Connected in Faith Capital Campaign** adds even greater significance to our efforts, as we seek to make improvements in our school and leave a lasting legacy of being able to teach the faith to future generations.

St. Perpetua, St. Felicity, and the Sorrowful Mysteries: On Thursday, our third through eighth graders watched the play, directed by Steve and Carrie Whitson. The story portrays the inspiring lives of courage and devotion of St. Perpetua and Saint Felicity. Hours of practice and preparations were put in by the performers, directors, and volunteers from the school and parish, and it was obvious! You will want to see the talent and skill in this play.(7:00 Friday and Saturday, 1:00 Sunday).

Bishop Johnston, Father Koster, Thatcher Rardon (Student Council President), and I broke ground for the connecting corridor between our buildings on Thursday afternoon. It was an exciting and meaningful ceremony for the school community!

May God Bless You!
