“The right to life is a human right. Our defense of that right is a joyful witness to the beauty and dignity of every human person.” (March for Life website)

Thank you for your prayers, thoughts, and support that made it possible for us to go to the March for Life in Washington, D.C. We heard many inspirational speakers who shared their stories and convictions at the rally, and we marched with tens of thousands of participants who believe that every life should be valued and protected. It was moving to see the passion of the group, leading prayers, cheers, and chants! Being part of the march and what it stood for was incredible! I believe the experience will impact our students and their future in so many positive ways.

While in Washington, we were able to spend one day visiting some of the historical sights. We toured the White House and visited the Holocaust and Smithsonian Museums, plus seeing many monuments. Our only regret is that we didn't have time to see everything!

May God shower you with blessings,
Pam Brobst, Principal

We will be offering a **Protecting God's Children** training class on Thursday, February 8th from 1-3PM in the library. This class is required for field trip drivers or volunteers working with children.
