From the Principal's desk...

We held our **Eighth Grade Basketball Recognition Night** on Monday at our home game against Winston Junior High. We had 13 eighth grade students who are playing basketball currently and have played 3-5 years at Bishop Hogan. We recognized the students and their parents between the girls' and boys' games.

Congratulations to our 7th/8th grade basketball team for winning the first place trophy in the Tri-County Tournament at Jamesport. Our next game will be Monday night, Nov. 15 against Hamilton, at Hamilton. Girls will play at 5:30, boys at 6:30. Nov. 18 games are against Kirksville Homeschoolers, at Bishop Hogan.

Chuck Jones, with Trenton Coca-Cola Bottling presented us a check for $1000 to help with purchasing a new scoreboard and controller for the gym. Ours is 20 years old and we have experienced some trouble with it. We are hoping to raise $4000 more in order to replace it.

Michael Willard, our new custodian, recently donated a used buffer to our school, for which we are very grateful. It has made a big difference on the floors. A big thank you to him!

Kudos to Mrs. Yuli and the students for an awesome Veterans Day Program! You can go to the **Bishop Hogan School facebook page and see the recording!**

We hope to have a large crowd at our Holiday Bazaar on Nov. 20th! We have a great variety of items. We could use help for the vendors Friday night and Saturday morning, and then clean up on Saturday afternoon at 3:00. We will be sending a sign-up link soon, so if you are available, we would appreciate the help.

May God bless and keep you!
Pam Brobst

Please help support the 8th graders going to Washington, DC for the Relay For Life rally in January 2022. The pies will make a prefect dessert for your Thanksgiving dinner. They do freeze will, so you can have a Christmas pie as well.
