Jan. & Feb. Birthdays

Congratulations to **Nicholas Radcliff, Kierra Williams, and A.J. Warren** for their award-winning essays in the **DAR (Daughters of the American Revolution) American History Essay** contest. They will be honored at a reception in March and their essays have been elevated to the state level!

Thank you to everyone who supported the fundraisers for our 8th grade students in order that they could attend the **March for Life** in Washington, D.C. There were twenty-three in the group, including students, chaperones, and Father Koster, that made the journey this year. I know it was exciting for them to be part of the first Post Roe v Wade march! However, there's still work to be done to fully promote the value of human life!!

Mayor Theresa Kelly, an alumna of Bishop Hogan School, will kick off our **Catholic Schools Week** on Monday with an official proclamation, followed by our own prayer service. We have many activities planned to make it a special week for the students, and many people around us to 'thank' for all they do to support us! Please feel free to join our students in any part of **Catholic Schools Week!**

May God's blessings lift you up and bring you peace and joy every day!
