We have several students in the play, **“Our Lady, the Children, and the Message.”** about Fatima. I hope you plan to see it Friday or Saturday night at 6:30 pm or Sunday at 1:00 pm. Tickets are \$10 and can be purchased online (Fatima-live.com) or at the door. Our school students, 3-8th grade, were able to see the first performance on Thursday. The play was a huge undertaking, and was very well done! It was amazing to see all of the adults and children that were willing to give of their time and talents; and so many talented people! Thank you to everyone involved in the performance and behind the scenes! It was exciting to have **Bishop James Johnston** attend the play on Thursday, along with many other guests!.

Testing Tips

Grades 3-8th will be taking the Iowa Assessment, a standardized test, the week of April 15-19. Here are some tips:

1. Make sure your child gets plenty of rest the night before the test.
2. On the morning of the test, your child needs to get up in plenty of time so he/she won't feel rushed.
3. Feed your child a good breakfast. Research shows that children do better on tests if they have had a good breakfast.
4. Do as much as you can to make your child feel comfortable. Try not to say things to make him/her feel more nervous.
5. Encourage your child to take their time and to do their best.
6. Reassure them that no matter the outcome of the test you will still love him/her.
