We invite you to take part in our **Commitment Weekend on April 25 and 26**, held in conjunction with our annual Dinner Auction fundraiser. After many years of careful stewardship, our school building—constructed in 1957—now requires critical updates to provide a quality learning environment. With your help, we will complete necessary renovations and create a more unified campus with a connecting corridor.

Throughout the years, we have been blessed by the generosity of members of our parish, school, and community. Your generosity has always made a difference—and it will again. Please consider how you can support this important effort through prayer and giving; any amount large or small helps! Together, as a community connected in faith, we can honor the dreams and work of those who came before us, continuing to build a strong foundation for future generations.

Our spring programs will be performed next week. Students in kindergarten-third grade will perform Monday, April 27, at 6:30 pm. On Tuesday, April 28, the 4th-8th grade choir and band will perform. The school talent show will be held on Friday, May 1. Everyone is welcome to attend!

May God guide and direct you,
Pam Brobst, Principal
