# Bishop Hogan Memorial School

A Golden Opportunity

### From the Principal's desk...

We have sent home a **permission slip** for free oral health screening for the students that wish to participate. It is a great opportunity to have free dental screening with Dr. Mattingly and 2 applications of fluoride varnish, one now and one this spring. The fluoride treatment can stop or reverse small areas of early tooth decay. Please have your child return the slip by **Friday, Sept. 21**, regardless of whether you choose to participate or not.

I want to highlight **Mrs. Mary Pauley, our volunteer librarian**. She has transformed our library over the last 8 years. She can be found shelving books, weeding out old books, buying books everywhere she can get her hands on them, and helping students locate the books they want to read. She has helped with setting up our book fairs, and comes when we do school testing so she can proctor students. Mary does all this and more, making sure the library is a great place to be. We can't thank her enough, so kudos to Mrs. Pauley, for all she does for Bishop Hogan! We are extremely grateful for her!

**March for Life: We will be going on the March for Life trip in Washington, D.C. again this year with our eighth graders and a few parishioners. Our goal is to raise at least \$6500 to pay the students' way. If you have any odd jobs that the students could do, please contact the school office at 660-646-0705.**

May Christ's light shine through you to others!

Pam Brobst, Principal

### FALL FESTIVAL

Online sign up and paper copies have been sent out for the Fall Festival games. Please check your email for the sign up link. This is a great opportunity to get volunteer hours in. We appreciate it!

A BIG shout out to Debbie & Ginger for helping us out in the Cafeteria.
