From the Principal's desk...

Thank you, parents, for taking the time to meet with your child's teacher to discuss first-quarter progress! I hope you gained a better understanding of your child's strengths and had the opportunity to collaborate with the teacher to develop a plan for a successful second quarter. If you were unable to attend your scheduled conference, please reach out to the teacher to arrange another time. These conversations are valuable in helping your child succeed! Please continue the discussion at home by checking in with your child about the goals he or she has set for the coming quarter.

Thank you to all the families who purchased books at our Scholastic Book Fair! Every time we put more books into our students' hands, we open the door to stronger vocabulary, improved comprehension, and a lifelong love of reading. A special thank-you to Susan Price for organizing the Book Fair and to the parent volunteers who generously gave their time to help. The funds raised benefit our school, but the greatest reward is seeing our students excited about reading and taking home new books!

Eighth-Grade Glow Party and Dutch Apple Pie Fundraiser
Our eighth graders would like to extend a big thank-you to the sixth and seventh graders who joined them for the Glow Party Dance! The event was a huge success, and the positive feedback made it even more rewarding.
The eighth graders are still selling **Dutch Apple Pies** to help raise funds for their March for Life trip. If you would like to order one, please contact the school office or find an eighth grader! The pies will be made on **November 20 and 21**, just in time to make a delicious addition to your Thanksgiving dinner. They also freeze very well, so you can save one for later. Thank you for supporting our eighth graders and their March for Life experience!

We are so appreciative of the snacks that parents have sent in for the teachers and for the special treat days that Becky Quinn has been setting up for the teachers! We are truly blessed!

The Salvation Army could use our help! They are collecting food for needy people & families. Here is a list of items that they could use: instant potatoes (4 oz), gravy, canned fruit, spaghetti sauce, mac & cheese, ramen noodles, corn, and stuffing. We have until November 27th to collect the items. Let's show them our support!

We are currently accepting vendors for our Holiday Bazaar to be held on Saturday, November 21 at Bishop Hogan. If interested, please call the office at 660-646-0705. Please spread the word!
