Bishop Hogan Memorial School

A Golden Opportunity

From the Principal's desk...

What a FUN Fall Festival!! I want to extend a big thank you to everyone who signed up to help with the Fall Festival! We had many parents sign up for the games, and there were others that helped with cooking, setting up, and cleaning up. It really helped toward the success of the St. Columban Fall Festival! And thank you to all those who attended! It was a great turnout and enjoyed by all!

Congratulations to Kevin and Lindsey Goad for being named Fall Festival's 2025 **Unsung Heroes**! They are very deserving of this award! Their selfless giving has made an impact on our church and school community, as they are always ready to lead or participate in what needs to be done. We are grateful for the many ways they donate their time and talents to help others.

Our students participated in Community Service recently. Some classes made cards for the Seminarian students they are partnering with, some picked up trash in the neighborhood, 4th grade went to the House of Prayer to help organize donations and make dessert for the meals served, another class walked to Morningside Nursing Home to do fun activities with the residents, one class made cards to encourage the incarcerated, and one class walked to the YMCA to do some assigned jobs they organized for us. Our students enjoyed knowing they were helping other people.

May God bless you!
Pam Brobst, Principal

On Community Service Day, the 5th grade class picked up trash, donated books at Danner Park's Little Library, donated food to the Little Pantry at the Children's Library, and volunteered at Morningside Nursing Home. At the nursing home, the students read books to the residents and danced or played games with them. The students received many compliments from the visitors, residents, and staff there. It was wonderful to see all of the smiles!
