From the Principal's desk...

Blessing of the Pets. Our students loved seeing their friends' family pets at school and especially enjoyed having Father Koster bless each of them. It was a beautiful way to celebrate St. Francis and his love for all of God's creation!

Parent-Teacher Conferences: Parent-Teacher Conferences are a valuable opportunity for parents and teachers to connect, celebrate student successes, and discuss areas where students may need additional support. Working together as a team helps ensure that each child is growing academically, socially, and spiritually and that we are all working toward the same goal—helping our students succeed.

The Month of the Holy Rosary October is the month of the Holy Rosary, a special time to turn our hearts to Mary and draw closer to Jesus through prayer.

Pope St. Pius X also spoke about the Rosary: *"The Rosary is the most beautiful and the most rich in graces of all prayers...and if you wish peace to reign in your homes, recite the family Rosary."*

Sixth Grade Heads to the Renaissance Festival Mrs. Gauthier's **sixth grade Social Studies class** will be traveling to the **Renaissance Festival on Monday, October 12**. One of their Social Studies curriculum standards is learning about the Renaissance period, so this will be a fun opportunity for students to make connections between what they have learned in the classroom and what they experience firsthand!

We are especially grateful to **KCHI and Patti Leatherman** for helping provide tickets for our students. Even better, students who earned **all A's and B's on their report cards** will get in free that day! The students are very excited!

Moving Into Our Classrooms Soon! The classrooms are nearly ready for our **3rd–8th grade teachers and students** to move into their new spaces! We are so appreciative of the wonderful volunteers who helped move furniture from the storage units into the classrooms last Sunday. It was a tremendous help to have the furniture ready and waiting for our teachers! Now they need to take a little time to get organized before the move, but we are so excited to see these classrooms coming together.

May God bless you!
Pam Brobst, Principal
