Pam Brobst, Principal

Although this school year will soon be wrapping up, we wanted to get a jump start on getting our basketball coaches in place for next year. Since we have had so many generous people volunteer already to coach, we want to formalize the process for anyone interested. Please fill out the application below and return by May 26 if you would like to be considered for the coaching staff! Once we have the applications, the pastor, principal, and athletic director will meet to decide. If you need more space to write, please use the back side of the application.

We are also very excited to announce that Mr. Mark McLaughlin, with 30 years of experience in coaching basketball and program development, will be on the coaching staff for the Fall Boys Basketball 6-8, and Spring Boys Basketball 4-5! His experience and expertise will be a great service in developing skills in our players! He is looking forward to working with our volunteer(s).
