Friday, October 1 is the Homecoming parade for Chillicothe High School. Our 3rd and 4th graders will be riding a float in the parade and the rest of Bishop Hogan staff and students will walk to **City Hall** to watch. Unless you tell us otherwise, we will assume we have permission for your child to walk with us. We will bring them back to school for dismissal. Students will be allowed to wear their uniform pants/shorts with a **red or black shirt** to school on Friday to support the Hornets during the parade. (Please be sure it is appropriate for church).

Our students are excited about the Fall Festival! We appreciate all the parents who have signed up to help with the games. It is always a fun day for everyone!

We will have **Donuts for Dudes** for dads or grandpas, on Wednesday, September 29 from 7:30-8:00 am. This is a very popular event and students love having this special time with their guests.

Our students have and will continue enjoying their close access to the **Lillian DesMarais Youth Library**. Once a month, grades K-4 will be walking to the public library to check out books and learn library skills. Jenny Buttman, retired teacher from Bishop Hogan, is partnering with us as a new employee of the library, to set up library times and activities!

We had 61 students, (grades 1st-8th) qualify for the Bowling Party at the Fast Lanes, which was awesome! They enjoyed the bus ride and an afternoon of bowling and games. We plan to offer the same incentive again next summer and hope we have even more students qualify!

Congratulations to these Bishop Hogan alumni for being voted in as Chillicothe R-II Homecoming 2021 attendants: James Mathew, Alijah Hibner, and Kaylynn Cranmer! We are proud of you!

May God continue to bless you!

NOVEMBER 20, 2021

It's a great opportunity to get volunteer hours in!

With the beautiful weather we have been having, the middle school classes have been taking turns eating lunch outside on the new picnic tables that were built by Boy Scout Troop #1857. The Boy Scouts were able to get the merchandise through Lowes at cost and the BHMS PTO funded the project.
