# Bishop Hogan Memorial School

## A Golden Opportunity

### From the Principal's desk...

Our Homecoming Float theme was **"Beyond the Second Star: His Light Leads the Way to Victory!"** It was a wonderful way to remind our students and the community that when we follow Christ's light, He leads us in the right direction—both on and off the field!

A special thank-you to **Tessa Grozinger and Morgan Cooper** for sharing their creativity and leading the ideas and construction of our float. We are grateful to our first and second grade teachers and students who proudly represented Bishop Hogan in the parade, and to the first and second grade parents who generously helped with the float.

Midterm grades were sent home today, or were posted in Middle School Sycamore. A reminder that there will be **no school on Monday, September 21**, as our teachers will be participating in a day of professional development.

We want to extend a **heartfelt thank-you to Mark Walter, Dave May, Joe Timmons, & Kevin Wilson of the Knights of Columbus** for their incredible help in preparing for the **Rockin' 70s of CHS Reunion** on Saturday evening. We are so grateful for their support, hard work, and willingness to assist us!

The eighth grade class has begun their Apple Pie Sales for March for Life! These Dutch Apple Pies are \$20 per pie and will be made on November 20 at Hy-Vee. They are delicious! If you are interested in purchasing some pies, please call the school office.

We are seeking a **Music teacher** to teach on **Mondays and Wednesdays all day, and Friday mornings**. If you know someone who may be interested in joining our Bishop Hogan family, please have them contact the school office or email [pbrobst@bishophogan.org](mailto:pbrobst@bishophogan.org). We would greatly appreciate you sharing this opportunity with anyone who may be a good fit!
