OUR HISTORY

Father John H. Hogan founded the parish school in 1861, and shortly after in 1867, St. Columban Catholic Church was established. The school was closed temporarily in 1863 due to the Civil War, and has provided continued education to children since 1870. We proudly carry on those timeless values and principles of our faith-based education today.

PARISH SUPPORT:

St. Columban's Parish school, "Bishop Hogan," is our primary means of educating youth in the Catholic Faith. As a fundamental and vital parish ministry, there is substantial parish support which helps defray some costs to parents. Our mission is to educate children with a foundation in Christian values and morals, and our parish's aid enables this paramount goal.

COMMUNITY SUPPORT:

Catholic Schools are unmatched in their ability to provide an outstanding education with relatively meager finances. Bishop Hogan depends on the financial support from parents and parishoners, as well as amazing local assistance. From parental volunteering to donating funds, our community is the backbone of our school and provides for the future of our children.

SUPPORTING EXCELLENCE:

With roots extending back almost a century and a half, Bishop Hogan takes great pride in providing the highest level of excellence in all areas of education, as well as an extensive focus on religion and values. It is a one-on-one level of learning that cannot be found elsewhere. We hope that your child will become part of our family! From Pre-K to 8th Grade, all God's children are welcome.
