Upcoming Events...

Our 4th-7th grade students have been hard at work this week studying Economics. Some of the concepts they have been learning have been budgeting, figuring interest, making their own business plans, etc. They have learned about city jobs; being mayor, bank officials, cooks, health inspectors, business owners, and employees, just to name a few. In the Spring they will take a trip to the School of Economics in Blue Springs where they will be able to put this knowledge to use.

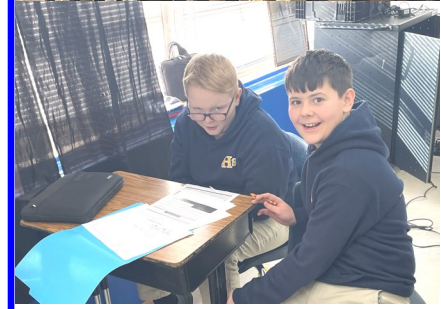

Meanwhile, our 8th graders have been enjoying their time in Washington D.C. where they will attend the March of Life gathering on Friday Jan 19th. We are grateful for the parents who went along as chaperones. We hope that the students will be able to take away valuable lessons from their trip while getting to experience some once in a lifetime moments!

May God protect and bless you!
