Bishop Hogan Memorial School

A Golden Opportunity

From the Principal's desk...

Mar. ~ Apr.

We held the last **Lenten Fish Fry** on March 8! On behalf of the Knights of Columbus and Bishop Hogan School, we want to express our appreciation to everyone who stopped by for fish dinners! We were busy each of the 4 nights. I want to offer a special thanks to everyone who helped make the Fish Fry nights possible! The Knights of Columbus members do so many things behind the scenes to prepare for the Fish Fry, and then are constantly working before, during, and after the events. They have many members who generously give of their time! And we are fortunate to have such good cooks! Thank you parishioners, school parents, Confirmation group, community members, and students for all the hours put in to help serve the meals and clean up. We are grateful to so many!

It was exciting to be part of the Lady Hornets State Bound team's send off. They arrived at our school last Tuesday to walk through the halls and be cheered on by BH students. We have several BH alumni on the varsity basketball team and are so proud of all of the players! (A first grader asked if there was enough time to get the players 'autographs'!)

Our students that won the DAR/district wide grade level (Daughter of the American Revolution) Award for their class went to the annual meeting to read their essays. Congratulations again to Adrian Trantham (8th), Annabelle Constant (7th), Eli Gratton (6th), and Tinley Lauhoff (5th)!

May God guide and strengthen you!
Pam Brobst, Principal
