The students have really worked hard this week, completing their Iowa Assessments. It is the first time that we have taken it online, instead of paper pencil. Other than a few bumps, it went pretty smoothly. Results will be in soon since it was online. Thank you for your part in encouraging your child to do their best!

Dinner Auction, "It a Jungle" is fast approaching! Tell your friends it's not too late to get tickets for the delicious dinner, or buy raffle tickets for a chance to win \$2000! **And the Greater Giving website is LIVE for viewing now!** Please check out the Bishop Hogan website for the link to view the fabulous items we have received for the silent and live auction! On the website www.bishophogan.org, find School Events, then Dinner Auction. Please note that there are changes daily to the postings as more items come in. Additionally, you will find updates on the **Dinner Auction Facebook page**. We really appreciate so much generosity and all the parents help! We ask that you keep us and our auction success in your prayers!

We want to thank Mark Walter, John Gatson, Dave May, and Joe Timmons for helping us out in the preschool room in the Academy building last Wednesday. We had a problem with the drop ceiling, and they came to our rescue to take care of it. We are fortunate to be recipients of their time, skill, and kindness. Thank you!

May God continue to bless and keep you!
 Pam Brobst, Principal.
