A Golden Opportunity

**From the Principal's desk...**

Our students have worked diligently to master the grade-level spelling words in preparation for the Spelling Bee. Classroom winners will advance to compete on Tuesday in the **Catholic Schools Week Spelling Bee**. This year, we have separated the divisions into 3 groups: 1st & 2nd grade, 3rd & 4th grade, and 5th through 8th grade. See the Catholic Schools Week calendar for the many fun activities next week!

The I-Ready Diagnostic Assessment window is January 19–30. (I-Ready is our online personalized resource that supplements our core Literacy and Math programs). During this time, students will complete assessments in both Math and Reading. The results provide valuable data that help teachers plan next steps in instruction and measure student progress. I-Ready is just one tool of many that we use to assess student progress. The final diagnostic assessment will be administered in April for I-Ready.

We will have a Prayer Box at the Masses this weekend and in the office this week. If you have a special intention that you would like added to our prayer box, send it in with your child. The student body and staff will pray daily for the intentions that are in the box during Catholic Schools Week!. (They will remain unread).

May God give you many blessings!  
Pam Brobst, Principal
