**Happy New Year! Wishing you happiness, God's peace, and many more blessings for the year ahead!**

It's great to be back into the routine of school! Students were excited to get back to see their friends and share all about their Christmas break! Teachers had an in-service on Tuesday, January 2 and students returned on Wednesday, January 3. Now we are 'off and running'! When I visited classrooms, I was amazed at how well the students had settled back into learning

Before Christmas, several of our students auditioned and were cast for the play, "**Our Lady of Fatima**" that Steve Whitson has written. I'm proud of these students pushing themselves to try new things! The practices will begin soon and continue until the performances, **April 11-14, 2024!** Mark it on your calendars so you don't miss this!

Riley Brobst will be a long-term substitute for Mrs. McCloud, whose husband is very ill and has been at Research Hospital since Dec. 4. Please keep Carol's husband, Alan, in your prayers, as well as the whole family. Riley obtained her teaching degree from Central Missouri State University in December.

Soon the **basketball season** for 4th and 5th graders will begin. The first game is February 15. Boys' and girls' practices will start in a couple of weeks!.

**A new year has begun!** ( 2 Corinthians 5:17 )- "Therefore, if anyone is in Christ, he is a **new** creation. The old has passed away; behold, the **new** has come."

Grace and Peace,  
 Pam Brobst, Principal

The 8th Grade hosted different learning centers for the younger students. The students enjoyed petting Larry, the class lizard. They also enjoyed learning about how electricity works, building structures with magnets, and identifying certain rocks. (photos above and to the right)

The 6th & 1st grade Mass buddies had a good time making Jolly Chatterboxes.

Just a reminder we have "gently" used uniforms at the school. There are several sizes to choose from. Please feel free to come in and take a look.
