## A Golden Opportunity

### From the Principal's desk...

The eighth-grade class and their chaperones will depart for **Washington, D.C.**, on Wednesday, January 21, and return on Saturday, January 24. A total of 42 students and adults from our school and parish will be attending the **March For Life**. We look forward to joining hundreds of pro-life supporters who share a common purpose: recognizing the dignity and worth of every human life, especially those most vulnerable. This year's March theme is **"Life is a Gift."**

This trip offers our eighth-grade students a meaningful opportunity to witness their faith in action and grow in awareness of their role as advocates for life. By participating in the March for Life, students will experience firsthand the importance of standing together peacefully and prayerfully for what we believe. This experience encourages a deeper appreciation for the gift of life, making it a lasting part of their eighth-grade year. We ask that you keep us in your prayers for a safe and meaningful trip, and **we thank you for your support in making this impactful experience possible.**

There will be **no school on Monday, January 19**, in observance of Martin Luther King Jr. Day. Catholic Schools Week will be celebrated January 25–31. A Prayer Box will be available at all Masses next weekend, and at school beginning Jan 26 for you to include your special intentions. Our students will lift up these intentions in prayer each day throughout Catholic Schools Week.

Peace and Grace be with you!  
Pam Brobst, Principal
