Thank you, parents, for taking time to come to the Parent-Teacher conferences last week. I know the teachers liked having the opportunity to talk about the good things students are doing and together with you, identify some areas for growth for the next quarter. Your partnership with us is very much appreciated!

Our kindergarten through third grade students traveled to the city for a field trip on Wednesday, October 27th. The group had planned to go to the Pumpkin Patch in Kearney, but because of rain, they switched plans and went to the **Fun Run** in Liberty. It was a good choice as the students stayed dry and had a fun day! We appreciate all the parent drivers!

It was fun to see all the creative saint costumes that students wore to school to celebrate **All Saints Day!** The teachers had fun activities planned for the students in the afternoon. Thank you, parents, for volunteering to help with the games and for bringing delicious refreshments for the parties!

Our 7th/8th grade basketball team will be in the Tri-County Tournament this week. They start tourney play on Tuesday evening against Pattonsburg, 4:30 girls and 5:30 boys. Good luck, Eagles!

We are partnering with the Grand River Technical School's Leadership class to do a Hygiene Drive to donate to Foster Adopt Connect. Therefore, on Tues., Nov. 9, students can wear a T-shirt with the donation of a hygiene product instead of canned food.

Blessings!
 Pam Brobst, Principal

Kathy Baxter has been doing the time clock for all the home basketball games. She has offered to train anyone that would be interested in learning how to do it. Kathy and one other person are the only ones that know how to run the clock, so we desperately need a few more people. Just call the office and let me know or get with Kathy Baxter. Thank you in advance!

There will be an additional BHMS uniform Spirt wear apparel order the first week in November for those additional orders &/or Christmas orders!

During the Blue and Gold home opener basketball game, fun games were played to help raise money for those students going to the March For Life rally in January. Winners of the paper airplane contest were Brenten Ralls and Bentley Lauhoff, and winners of the shoe scramble contest were Evie Kieffer and Gunner Brobst. \$496.13 was raised from the evening.

Bishop Hogan staff and students had the privilege of cheering on the CHS girls state bound softball team on Thursday morning. The girls were showered with well wishes and good luck as they traveled from school to school as a send off. With the convincing 11-0 win they played on 10/21, they have now advanced to the Class 3 state championship final four in Springfield at the Killian Softball Complex, located at 2141 E. Pythian. The Hornets will play on Saturday, Oct. 30th.

The Chillicothe FFA chapter picked pumpkins that were donated by Donnie Gates. The chapter then donated pumpkins to our students Kindergarten through 6th grade. The students enjoyed getting to pick out their very own pumpkins to take home.
